

# PRESS SHEET

An extra-ordinary book, which has been by my side in my own journey through cancer.

**IAN MARCHANT**

Author &  
BBC Radio 4 Presenter

A testament to the power and importance of storytelling.

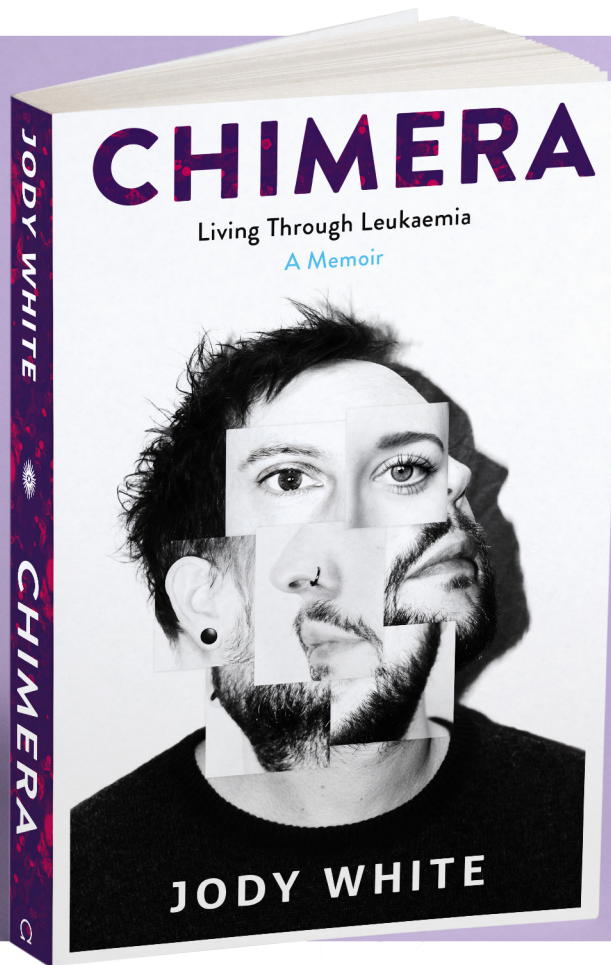

**CATHERINE DENT**

MA English Literature  
University of Durham

I've never read anything so inspiring and honest.  
Eye-opening, raw and important.

**HEIDI AIMEE**

Blogger  
@heidiandherbooks

A truly heart-opening and visceral account of an endurance of body, mind, and soul.

**REBECCA CARD**

Ceremonialist &  
Nature Connection Facilitator

Beautifully written, this powerful and moving memoir is full of hope and positivity.

**JO ARNOTT**

Via Good Reads

A funny, poignant, beautiful tale of resilience, warmth, and adventure.

**LIZZY CHAPMAN**

## BLURB

Jody White's eighteenth year of life filled his heart with young love – only to break him apart. Diagnosed with a rare form of Acute Leukaemia, he was given just two weeks to live.

After a whirlwind of intensive treatment, close to death, he dreamed his way into the care of a wizened cowboy, his own personal SWAT team, and a mysterious old crone who wanders the desert collecting wolf bones.

Chimera is an alchemical dive into teenage illness – a near-death initiation framed by the innate, mythic stories that touch all our lives.
